EP-SB

BLUETOOTH STEREO EARPHONES

Designed specifically for those who are always on-the-go, the new EP-SB wireless in-ear headphones from RBH are the perfect companion during your workout, golf game, morning jog, while making dinner, or anytime you just want to listen to your music and talk without the hassle of wires. No other Bluetooth® earphones or "buds" deliver the level of audio performance the EP-SBs can. You'll quickly find the EP-SBs sound better than many of the wired headphones you've ever heard. Featuring Bluetooth® 4.0, and aptX® technologies, the EP-SB earphones provide unrestrained compatibility with the latest smartphones, computers, or any Bluetooth enabled device. Simply pair your Bluetooth device to the EP-SB and you're all set for hours and hours of uninterrupted high fidelity music and calls.
